→ That's all the news Dave. I got the issue today & you printed a result that Atlantis lost 2-5 to Arhara, but both magazines definitely reported that he won. The next big earthquake you feel is just the thud after I jump off the Sears Tower now that Canelo Casas is no longer champion... It is so good for his age. Just think neither he nor Chris Benoit nor Masa Funaki have hit ^{his} ~~their~~ 23rd birthday yet. Amazing
